## SUMMARY

I am a Frontend Developer with a passion for ReactJS, Typescript, and TailwindCSS

## EXPERIENCE

### Junior Developer | Superna

August 2022 - Present, Remote

- Develop User Interface (UI) components for Superna's products to perfectly match the design.
- Implemented Redux and Redux-Toolkit to manage product State across the platform.
- Research new developments in software development trends, to stay current with the industry and apply those learning's to Superna's software products where necessary.
- Implemented Jest and Playwright testing to ensure that the platform functions without issue.
- Identify any risks of shortcomings in the software, and raise bugs or otherwise report these issues as appropriate.
- Implemented Storybook to streamline UI development, testing, and documentation.

### Fullstack Web Developer | Kellen Wiltshire Web Development

January 2021 - August 2022, Kingston, Ontario, Canada

- Building functional and responsive websites with the latest technologies such as React, NextJS, Typescript, and traditional HTML/CSS to meet Client expectations for performance.
- Creating beautiful and easy to use UI to bring the Clients vision to life using TailwindCSS, Emotion Style Components, StorybookJS, and CSS.
- Creating secure Backend services and databases using Node, ExpressJS, PostgreSQL, and Strapi.
- Experience working with Shopify and Squareup API to create merchant stores and process payments.

### Legal Aid Worker | Legal Aid Ontario

January 2016 - August 2022, Napanee, Ontario, Canada

- Triage and asses the needs of the Clients in order to determine the most appropriate service.
- Complete certificate applications by determining eligibility for services by telephone, in court, or in federal or provincial institutions.
- Improves client satisfaction by referring clients to other government services, as needed.
- Provide training to new staff on Legal Aid policies and procedures, including how to effectively use the Peoplesoft system, in order to help new staff to be effective in their role and to help ensure a productive environment.
